

Dear

I want to share with you a tremendous ministry opportunity that I have decided to participate in this summer. I will join approximately 300 other team members from across the U.S. this July in New York City. Spread Truth Ministries (formerly known as NYC Ministries) is a 501(c)3 organization that exists to serve local churches by providing Gospel-centered resources, training and experiences. Their experiences include multiple trips each year to New York City with over 500 attendees from more than 8 different states and over 40 different churches.

Many ask why go to New York City? New York City is the world's "melting pot". In this single trip, I will have the opportunity to meet people from over 180 people groups from more than 65 different countries and all without leaving the U.S. Many that I will meet will have never even heard of Jesus and God's saving grace.

This is anything but a vacation! Once in New York City, the agenda itself is very busy. I will meet daily at 8:00 a.m. for praise and worship, special speakers, testimonies, and instructions. Then spend six to seven hours sharing my faith in the parks, on the subway and at prayer stations across the city. The schedule is exhausting but rewarding.

Here are some of the rewards for this trip:

1. It allows God to work in my life through personal enrichment. This will be accomplished from the Spread Truth evangelism training I must attend prior to the trip and through the experiences and people I will meet while in New York City.
2. I will minister to those in need at prayer stations, praying for their earthly needs. This will give me an opportunity to share with them God's story of redemption. I will also be in parks discussing a religious questionnaire that will lead me to share my faith. Spread Truth provides two gospel resources for my use. (www.istheremoretolife.com and www.viewthestory.com)
3. I will offer those I meet the opportunity to grow in a personal relationship with Jesus Christ. This will be accomplished through distribution of gospel resources and Bibles, suggestions of local churches, follow-up from other Christians through local church partnerships, or discipleship materials sent by Spread Truth Ministries.

I am excited about the opportunity and experience that lies ahead, I hope you see the value in what we will accomplish. Team members must raise their own support. I need to raise _____ by _____. If you can support me in a financial way, I would be grateful (see below). I also need your prayer support. Prayer is the fuel that will allow us to be successful as we follow God's leading in this ministry. Without prayer, nothing will happen.
